

Strategy Consultant, Zenith Consulting Partners

About Us

Zenith Consulting Partners is a boutique management consultancy that supports SMEs and start-ups in areas such as strategy, growth planning, and digital transformation.

The Role

This Graduate Job offers the chance to work closely with our consultants on real client projects. You will be involved in research, analysis, and client deliverables, providing you with insight into both consultancy and business strategy.

Key Responsibilities

- Conduct market research and competitor analysis to support client recommendations.
- Prepare client presentations and contribute to brainstorming sessions.
- Analyse financial and operational data to identify trends and opportunities.
- Support consultants with project administration and meeting preparation.
- Shadow consultants in client-facing meetings (where appropriate).

What We're Looking For

- Undergraduate student in their final year studying Business Management, Economics, or related discipline.
- Strong research and analytical skills.
- Clear and confident written and verbal communication.
- Ability to work independently and as part of a team.
- Enthusiasm for consulting and problem-solving.

What You'll Gain

- First-hand experience of working in a consulting environment.
- Opportunity to contribute to real client projects.
- Skills in analysis, presentation, and client engagement.
- A professional reference and enhanced employability for graduate roles.
