

Investment Analyst

Apex Capital Partners

About Us

At Apex Capital Partners, we specialise in providing cutting-edge financial solutions, investment strategies, and market analysis to help our clients achieve their financial goals. We are looking for ambitious Investment and Finance postgraduates from who are eager to start their careers in investment analysis, portfolio management, and financial strategy.

This postgraduate-level role is designed for candidates who have a strong academic foundation in finance and investments but may not yet have practical industry experience.

What You'll Do

As an Investment Analyst, you will:

Conduct market research – Analyse economic trends, financial reports, and investment opportunities.

Assist with portfolio management – Support the team in managing client portfolios, assessing risks, and optimizing asset allocation.

Financial modelling & valuation – Work on forecasting models, company valuations, and risk assessments.

Report on investment performance – Prepare insights and presentations on market movements and investment trends.

Support client advisory teams – Assist in the preparation of investment strategies and presentations for clients.

Stay updated on financial markets – Monitor stock markets, bond markets, commodities, and alternative investments.

What We're Looking For

- ✓ **A postgraduate degree** in Investment & Finance (recently completed or to be completed soon).
- ✓ **Strong analytical skills** – Ability to interpret financial data and trends.
- ✓ **Understanding of financial instruments** – Knowledge of equities, bonds, derivatives, and alternative assets.
- ✓ **Proficiency in financial modelling** – Basic experience with Excel, Bloomberg, or other financial tools.
- ✓ **Attention to detail & problem-solving skills** – Ability to analyse risks and propose investment strategies.
- ✓ **Communication skills** – Ability to present financial insights clearly and effectively.

What We Offer

Hands-on experience – Work with senior analysts and portfolio managers.

Training & mentorship – Learn from industry professionals to develop your expertise.

Career progression opportunities – A clear path towards full-time investment roles.

Exposure to global markets – Gain experience in international finance and investment strategies.
